

KILCREENE REGIONAL ORTHOPAEDIC HOSPITAL

Barriers

- Due to reduced length of stay, patients were not getting discharge information in a timely manner.
- There were limited opportunities to discuss detailed post-operative care with the MDT.
- As Consultants only came to KROH on a weekly basis, discharges would be delayed.

Solutions

1. PAC

- ❖ AvLoS
- ❖ Signed Discharge Plan
- ❖ RAPT
- ❖ INOR PROMS

2. Joint School

- ❖ Information Pack given

3. DOSA Clinic

- ❖ Estimated Day Of Discharge
- ❖ Signed Discharge Plan reconfirmed

Solutions

4. Post Surgery

- ❖ Nurse-Facilitated Discharge
- ❖ Integrated Care Pathway /Ward Rounds
- ❖ 24 hours post-op, Actual Date of Discharge given
- ❖ Information Pack additions given
- ❖ Information Sheet Day Before Discharge.

5. Day of Discharge

- ❖ Discharge material

Continuing Challenges

- Discharge information on medication safety.
- Funding received for 0.5 Pharmacist.

THANK YOU
