|---|--|--|--------------|
|   | ~  |  |              |
| ADMISSION<br>TO HOSPITAL<br>♪ ∰         | WAITING TIMES:<br>Reduce Emergency<br>Department waiting<br>times.   | 1. All members of the ED teams are working together on quality improvement programmes designed to improve patient experience of ED and to improve the patient experience of waiting times in MUH.  | ON-<br>GOING |
|   |  | <ol><li>MUH is monitoring wait times in ED to ensure that the National Targets set for<br/>ED services are not exceeded.</li></ol>   |              |
|   |  | <ol><li>The Winter Flu Vaccine is actively promoted to maintain high uptake and to<br/>prevent excessive demands in ED over the Winter Period.</li></ol>   |              |
|   |  | <ol> <li>MUH is actively working with the SDU on the 5 Fundamentals of Unscheduled<br/>Care.</li> </ol>  |              |
|   |  | 5. MUH ED implemented a 3 month pilot of Rapid Assessment & Treatment (RAT) in July 2018, plan is to continue this pilot for a further 3 months.   |              |
|   |  | 6. Ongoing pilot of combined acute & community Frailty Intervention Therapy (FITT).  |              |
|   |  | 7. Patient Comfort packs are provided to patients who need them.   |              |
| CARE ON<br>THE WARD                     | NUTRITION:<br>Improve hospital<br>food and nutrition.  | <ol> <li>Patients who are at risk of being malnourished will be identified and a<br/>nutritional menu designed to improve their health and wellbeing, will be<br/>provided for them. MUST screening tool is currently being rolled out.</li> </ol>                         | 12<br>MTHS+  |
|   |  | <ol><li>Nutritional menu (high protein/high energy) which is tailored to the patient<br/>specific nutritional needs is reviewed on a yearly basis.</li></ol>   |              |
|   |  | <ol> <li>Mealtimes will be protected in the hospital to ensure that all patients, receive<br/>adequate time and opportunity to receive nutritious meals. Introducing Meal<br/>Time Matters – focus on assisted feeding.</li> </ol>   |              |
| EXAMINATION<br>DIAGNOSIS &<br>TREATMENT | COMMUNICATION:<br>Increasing awareness<br>in relation to support<br>available to patients<br>who want to speak<br>to someone about<br>their worries and<br>concerns. | <ol> <li>The Patient Liaison Officer, together with the Pastoral Care team and hospital<br/>volunteers are promoting awareness amongst patients that they are available<br/>to patients to speak to them, about any worries or concerns that they may<br/>have.</li> </ol> | ON-<br>GOING |
|   |  | 2. The roles of key members of staff (including all clinical staff) and advocates will be promoted to help patients understand that they are not alone and that they can always speak to someone.  |              |
|   |  | <ol><li>MUH developing diverse ways of engaging with patients and their families in a<br/>dynamic way recognising patients as partners in their own care.</li></ol>  |              |
|   | COMMUNICATION:<br>Improve health<br>information for<br>patients.   | <ol> <li>Patient information leaflets are reviewed and made available for all patients, as<br/>well as new sources of information when available.</li> </ol>   | ON-<br>GOING |
|   |  | <ol> <li>Information leaflets on specific health conditions will be made available to<br/>patients together with information on the hospital (patient information booklet;<br/>MUH website).</li> </ol>  |              |
|   |  | <ol> <li>Recommended sources for sharing clear and evidence based patient/health<br/>information will be promoted amongst patients.</li> </ol>   |              |
|   |  | <ol> <li>A team of staff are currently reviewing the importance of patient involvement in<br/>decision making about their care, and promoting the National Consent Policy<br/>in MUH.</li> </ol>   |              |
